EMBELLISH LAB

EYE TREATMENT

A targeted skincare approach designed to address specific concerns such as dark circles, puffiness, fine lines, and dryness under the eyes. Completing it with an eye spa adds hydration and relaxation, ensuring optimal results for the delicate skin around the eyes

30 mins

STONE eye spa $38

Relax Eye Muscles: The coolness of the stones helps to reduce puffiness and redness, soothing tired or strained eye muscles.
Enhance Circulation: The smooth movement of the stones stimulates blood flow around the eyes, leaving them refreshed and revitalized.
Relieve Stress: The gentle weight and coolness of the stones create a calming effect, promoting deep relaxation and reducing overall tension.

GUASHA eye spa $38

Detoxification: The light scraping motions encourage lymphatic drainage, helping to remove toxins and reduce puffiness around the eyes.
Boosted Circulation: It stimulates blood flow, delivering more oxygen and nutrients to the skin, which helps brighten the under-eye area.
Skin Rejuvenation: Regular use can enhance skin elasticity, reduce the appearance of fine lines, and promote a smoother, more youthful look.

BOJIN eye spa $48

Lifting: By targeting specific meridian points, the Bojin technique helps to tighten and tone the skin, creating a natural lifting effect.
Improved Circulation: Gentle strokes and pressure boost blood flow, which reduces dark circles and enhances skin’s elasticity.
Detoxification: The stimulation encourages lymphatic drainage, reducing puffiness and clearing toxins from the skin.
Relaxation and Eye Muscle Relief: The process relieves tension in the surrounding muscles, leaving the eyes feeling refreshed and revitalized.
